Training course HBM & NLP Master

How can you obtain 3 certificates within 12 days?

The training course comprises four blocks of three days. By way of preparation, you will listen to the 28 English-language CDs from the Pre-Study Master Practitioner Programme. The training course is given in Dutch. We will also use English-language material to guarantee alignment with the international world of NLP.

During this training course, you will put everything you have learned into practice and learn more about applying and integrating your knowledge. In addition, you will receive personal coaching from the trainers and coaching assistants.

What happens after you have completed the HBM&NLP Master Practitioner training course?

This fascinating continuation of the Practitioners Level of NLP offers you the opportunity to realise permanent change, at individual, team and organisation levels. In preparing for this Master of NLP course, myHBMcenter was inspired by Tad James, David Shephard and Robert Smith, three famous Master Trainers of NLP, and by Eduard Baas, founder of the HBM philosophy. The feedback from these 4 Masters has been integrated in the new HBM&NLP Master Practitioner training course. The latest knowledge about Human Being Management, Quantum Linguistics, Meta Programs, Values and Values Transitions. It is also a springboard to the Trainers Level, the next step in your development towards gaining more success and better results for yourself and others.
